

Executive Summary

AP-05 Executive Summary - 24 CFR 91.200(c), 91.220(b)

1. Introduction

The Town of Bloomsburg is in its fifth year as an Entitlement community under the U.S. Department of Housing & Urban Development's (HUD) Community Development Block Grant (CDBG) Program, after being a subrecipient of the Commonwealth of Pennsylvania for roughly thirty years. In compliance with HUD's regulations, the Town of Bloomsburg has prepared an Annual Action Plan, which will be utilized for FFY 2020. This Annual Action Plan establishes goals for the Town of Bloomsburg to undertake in order to address identified needs. The planning process was accomplished through a series of public meetings, stakeholder consultation interviews, and collaboration.

2. Summarize the objectives and outcomes identified in the Plan

Since the Town of Bloomsburg is a federal Entitlement community, the Town needs to develop an Annual Action Plan. The following goals and objectives have been identified for the Town of Bloomsburg for the FFY 2020 CDBG Program:

Housing Priority - (Low Priority)

There is a need to improve the quality of the housing stock in Bloomsburg and to increase the supply of affordable, decent, safe, sound, and accessible housing for homeowners, renters, and homebuyers.

- **HS-1 Housing Rehabilitation** - Continue to rehabilitate the existing owner- and renter-occupied housing stock in Bloomsburg, including handicap accessibility modifications.
- **HS-2 Housing Construction/Rehabilitation** - Increase the supply of decent, safe, sound, and accessible housing that is affordable to owners and renters through new construction and rehabilitation of vacant units.
- **HS-3 Fair Housing** - Affirmatively further fair housing by promoting fair housing choices through monitoring, education, and outreach.
- **HS-4 Homeownership** - Assist and counsel LMI households in an effort to become homeowners.

Homeless Priority - (Low Priority)

There is a need for housing and services for homeless persons and persons at-risk of becoming homeless, as well as public education.

- **HO-1 Housing** - Support the efforts of local agencies that provide emergency shelter, transitional housing, and permanent supportive housing.

- **HO-2 Education** - Support the efforts of local agencies educational efforts designed to increase awareness regarding local homelessness and to change public perceptions.

Other Special Needs Priority - (Low Priority)

There is a need for services and facilities for the youth, elderly, persons with disabilities, victims of domestic violence, persons with HIV/AIDS, and persons with special needs.

- **SN-1 Transportation** – Support efforts to further develop access to public transportation.
- **SN-2 Social Services** - Support social service programs and facilities for the youth, elderly, persons with disabilities, victims of domestic violence, persons with HIV/AIDS, and persons with other special needs.

Community Development Priority - (High Priority)

There is a need to improve the public and community facilities, infrastructure, public services, code enforcement, public safety, clearance, and the quality of life in the Town of Bloomsburg.

- **CD-1 Community Facilities** - Improve the parks, recreational centers, trails, bikeways, and public and community facilities through rehabilitation, new construction, and handicap accessibility improvements.
- **CD-2 Infrastructure** - Improve infrastructure through rehabilitation, reconstruction, and new construction of streets, sidewalks, ADA curb cut ramps, sewer, water, storm water management, flood protection, bridges, green infrastructure, etc.
- **CD-3 Code Enforcement** - Undertake code enforcement activities to maintain the existing housing stock.
- **CD-4 Public Safety** - Improvement of crime prevention and/or the ability to respond to emergency situations.
- **CD-5 Clearance** - Remove and eliminate slum and blighting conditions.

Economic Development Priority - (Low Priority)

There is a need to increase employment, self-sufficiency, education, job training, technical assistance, and economic empowerment of the residents of the Town of Bloomsburg.

- **ED-1 Employment** - Undertake efforts to support SEDA-COG's 5-Year Comprehensive Economic Development Strategy (CEDS) where applicable.
- **ED-2 Community Revitalization** - Plan and promote the development and redevelopment of downtown districts, vacant commercial and industrial sites, and facilities.

Administration, Planning, and Management Priority - (High Priority)

There is a continuing need for planning, administration, management, and oversight of Federal, state, and local funded programs.

- **AM-1 Overall Coordination** - Provide program management and oversight for the successful administration of Federal, state, and local funded programs, including planning services for special studies, environmental clearance, fair housing, and compliance with all Federal, state, and local laws and regulations.

3. Evaluation of past performance

The Town of Bloomsburg is a fifth year federal Entitlement community.

The FFY 2016 through FFY 2018 Consolidated Annual Performance Evaluation Reports (CAPER) have been submitted to HUD regarding how the Town has expended its funds.

The FFY 2019 Consolidated Annual Performance Evaluation Report will report on the use of FFY 2019 funds. This report will be submitted by the end of the calendar year 2020.

4. Summary of Citizen Participation Process and consultation process

In preparation for the FFY 2020 Annual Action Plan, a notice was mailed out on March 16, 2020, to the Columbia County Housing and Redevelopment Authority (who also has a representative on the regional Continuum of Care Board), businesses, developers, nonprofit organizations, philanthropic organizations, and community and faith-based organizations regarding the initiation of the CDBG application preparation schedule. An announcement about the FFY 2020 program was also made at the bi-monthly Columbia County Human Services Coalition meeting, as well as to encourage project proposals.

As a component of this schedule, the Town of Bloomsburg held its first public hearing on April 7, 2020. This meeting was held virtually due to the Coronavirus pandemic, in accordance with HUD and Commonwealth of Pennsylvania guidance/emergency orders. The hearing was based on the needs of the community and its residents. The hearing also provided the residents, agencies, and organizations with the opportunity to discuss the community's CDBG program, and to provide suggestions for future CDBG program priorities and activities. At the public hearing, it was announced that the corresponding FFY 2020 Annual Action Plan would be provided via various public outreach methods.

The comment period for the Town of Bloomsburg began on May 14, 2020, lasting a period of 30 days. A copy of the "Draft FFY 2020 Annual Action Plan" was placed on display at the following locations:

1. Town of Bloomsburg
1800 North Market Street
Bloomsburg, PA 17815
2. SEDA-COG's website:
<http://www.sedacog.org/Pages/communitydevelopment.aspx>

A final public hearing was held in the Town of Bloomsburg on June 8, 2020. This meeting was held virtually due to the Coronavirus pandemic, in accordance with HUD and Commonwealth of Pennsylvania guidance/emergency orders. The hearing gave the public a final opportunity to comment on the plan. The comment period for the FFY 2020 Annual Action Plan ended on June 13, 2020. Please refer to the minutes of the public hearing for further comment documentation as well as the public comment summary.

On February 2, 2021, a public hearing was held regarding a proposed substantial amendment to the Annual Action Plan as well as the FFY 2016-2020 Consolidated Plan. This meeting was held virtually due to the Coronavirus pandemic, in accordance with HUD and Commonwealth of Pennsylvania guidance/emergency orders. The hearing provided residents, agencies, and organizations with the opportunity to discuss the communities' CDBG program, and to provide suggestions for future CDBG program priorities and activities.

SEDA-COG mailed all the agencies and organizations that were contacted as part of the Five-Year Consolidated Plan and Action Plan consultation process, to let them know that the proposed substantial amendment was on public display. The substantial amendment was released for public comment on January 24, 2021. A copy of the substantial amendment was placed on display at the following locations:

1. Town of Bloomsburg
1800 North Market Street
Bloomsburg, PA 17815
2. SEDA-COG's website:
<http://www.sedacog.org/Pages/communitydevelopment.aspx>

The comment period was scheduled to end on February 22, 2021. Please refer to the minutes of the public hearing for further comment documentation as well as the public comment summary.

5. Summary of public comments

Notices were advertised in the *Press Enterprise*, the local newspaper of circulation, regarding the public hearings, in order to invite comment. Other forms of public comment were also invited and accepted for thirty (30) days regarding the FFY 2020 Annual Action Plan.

Comments received at the public hearings, as well as during the thirty (30) day comment period, are included as public hearing meeting minutes, attached at the end of the FFY 2020 Annual Action Plan. Comments regarding the substantial amendment are also attached. A 30-day comment period was utilized for the substantial amendments.

6. Summary of comments or views not accepted and the reasons for not accepting them

All comments and suggestions received to date have been accepted and incorporated into the FFY 2020 Annual Action Plan.

7. Summary

The main goal of the FFY 2020 Annual Action Plan is to implement strategies and work toward goals related to challenges identified in the Five-Year Consolidated Plan. Through this Five-Year Consolidated Plan study effort, baseline goals were established to work toward improving the housing conditions, and address community and economic development needs.

For FFY 2020 Program Year, the following CDBG allocation will be received:

- Town of Bloomsburg: \$274,571

Narrative

The mission of the Community Development Program at SEDA-COG is to work with local governments and their citizens to improve communities and the lives of community residents through infrastructure and community facility projects. Recipients of SEDA-COG's Community Development services include the region's counties, communities, municipal authorities, and locally based organizations.

Success is assisting a community through the planning, development, design, funding, and construction of much needed public infrastructure or community facility projects. In the last 30 years, SEDA-COG's Community Development Program has assisted with nearly 1,000 public infrastructure and community facility projects, resulting in community investments of nearly half a billion dollars.

AP-10 Consultation - 91.100, 91.200(b), 91.215(l)

1. Introduction

The Borough of Berwick and Town of Bloomsburg's CDBG Administrator, SEDA-COG, held a series of consultation meetings and interviews on behalf of both municipalities during March of 2016. Upon completion of the initial consultation meetings and interviews, a SEDA-COG representative attended the bi-monthly meeting of the Columbia County Human Service Coalition. At this meeting, the SEDA-COG representative informed local providers of the Borough and Town's effort to undertake this Five-Year Consolidated Plan, and invited the providers an opportunity to schedule additional consultation meetings/interviews to participate in this effort. Following this Coalition meeting, final additional consultation meetings/interviews were scheduled. Input from the consultation meetings/interviews was used in the development of the specific strategies and priorities for this Five-Year Consolidated Plan. Public hearings, held in both municipalities, were scheduled to provide the public an opportunity to comment on the development of this Plan.

Organizations that participated during the consultation process of the Five-Year Consolidated Plan have been notified of the FFY 2020 CDBG program's initiation through an outreach letter. Additionally, an announcement was made at a bi-monthly Columbia County Human Services Coalition meeting about the FFY 2020 Annual Action Plan's development and the opportunity for CDBG program funding for projects. Public advertising also occurred.

Provide a concise summary of the jurisdiction's activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies (91.215(l)).

The Borough of Berwick and Town of Bloomsburg work with the following agencies to enhance coordination:

- a. Columbia County Housing and Redevelopment Authority: Oversees public housing and is a key organization for revitalization projects in both municipalities.
- b. Economic Development Agencies: Promote coordination with the private sector to increase job creation, improve productivity, and raise standards of living.
- c. Philanthropic Funding Institutions: Raise funds for programs that are a benefit to the community, particularly for LMI persons, that the Borough/Town and County cannot fully finance.
- d. Social Service Agencies: Funds provided primarily by the county and other sources. Bi-monthly Columbia County Human Service Coalition meetings are attended by multiple social service providers to coordinate services, prevent duplication of efforts, share information, and promote networking.

Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness.

The Town of Bloomsburg and the Borough of Berwick both fall under the 33-county Eastern Pennsylvania Continuum of Care. This Continuum of Care is then broken into five (5) regional homeless advisory boards. Columbia County (and by extension, the Town of Bloomsburg and the Borough of Berwick) is a member of the Central Valley Regional Homeless Advisory Board (CV-RHAB).

Weston Brehm of the Columbia County Housing and Redevelopment Authority is the County's point of contact for CV-RHAB and serves on their board. Rich Kisner, who is the Executive Director of the Columbia County Housing and Redevelopment Authority, also serves on the Pennsylvania Department of Community and Economic Development's (DCED) Housing Committee.

Locally, the Columbia County Housing and Redevelopment Authority provides public housing for Section 8 residents, and is the main agency that serves individuals at risk of becoming homeless. The various social service institutions interviewed during the consultation process of this Five-Year Consolidated Plan also provide supportive services for persons at risk of becoming homeless, as well as address the needs of individuals who are currently homeless.

Bi-monthly Columbia County Human Service Coalition meetings, attended by the Columbia County Housing and Redevelopment Authority, as well as social service providers, are held to coordinate services, prevent duplication of efforts, share information, and promote networking. Because the Town of Bloomsburg is the County Seat, most of the interviewed social service providers have their offices either within, or just outside the limits of the Town. A majority of the interviewed social service providers do not have offices within the Borough of Berwick's municipal limits (which is about 12 miles away from Bloomsburg).

Describe consultation with the Continuum(s) of Care that serves the jurisdiction's area in determining how to allocate ESG funds, develop performance standards for and evaluate outcomes of projects and activities assisted by ESG funds, and develop funding, policies and procedures for the operation and administration of HMIS

Central Susquehanna Opportunities, Inc. (CSO) is the Community Action Agency for Northumberland, Montour, and Columbia counties (the Town of Bloomsburg is a municipality in Columbia County). CSO regularly administers ESG funding for Columbia County, including the Town of Bloomsburg.

According to CSO Chief Executive Officer, Gale Zalar, "the Continuum of Care is consulted annually regarding how to allocate ESG funds. Each year, applications are received and reviewed by Community Development Staff for eligibility, then sent to the Continuum of Care to evaluate and make recommendations for funding. This is done in a committee, which is exclusively made up of members of the Continuum of Care who are not applying for ESG funding but are active members of the Continuum of Care."

Performance standards are developed in consultation with our Continuum of Care.

Procedures for the operation and administration of HMIS are developed in consultation with the Continuum of Care. Each subrecipient agency is required to participate in HMIS accept where prohibited."

Narrative

The Borough of Berwick and Town of Bloomsburg have consulted and coordinated with various agencies and organizations, municipality-wide, county-wide, and Commonwealth-wide. A culmination of these efforts has resulted in the development of this FFY 2016-2020, Five-Year Consolidated Plan and the subsequent FFY 2020 Annual Action Plan.

AP-12 Participation - 91.105, 91.200(c)

1. Summary of citizen participation process/efforts made to broaden citizen participation

Summarize citizen participation process and how it impacted goal-setting

The Town of Bloomsburg followed its Citizens Participation Plan to develop this FFY 2020 Annual Action including:

- Email and written letter outreaches to local organizations;
- Regular attendance at Columbia County Human Service Coalition meetings;
- Two public hearings at different stages of the application preparation schedule;
- Newspaper advertisements encouraging participation and comment;
- Public display of the draft FFY 2020 Annual Action Plans;

Through the citizen participation process, public input was used to identify what challenges and opportunities exist in Bloomsburg, as well as develop goals to mitigate these issues.

Expected Resources

AP-15 Expected Resources - 91.220(c) (1,2)

Introduction

The Town of Bloomsburg will receive \$274,571 of FFY 2020 CDBG funds.

The program year goes from October 1, 2020 through September 30, 2021. These funds will be used to address the following priority needs:

- Housing
- Homelessness
- Other Special Needs
- Community Development
- Economic Development
- Administration, Planning, and Management

The accomplishments of these projects/activities will be reported in the FFY 2020 Consolidated Annual Performance and Evaluation Report (CAPER).

Table 5 - Expected Resources – Priority Table

Explain how federal funds will leverage those additional resources (private, state and local funds), including a description of how matching requirements will be satisfied

In addition to the CDBG Entitlement funds, the Town of Bloomsburg anticipates the following resources may be available to private individuals/families and local non-profit organizations to undertake the strategies identified in the Five-Year Consolidated Plan:

- CDBG-CV
- Columbia County Accessible Homes Program
- Columbia County Access Grant Program
- First Time Home Buyers Assistance Program
- HOME Program
- Low-Income Housing Tax Credit Program (LIHTC)
- Public Housing Developments

- Section 8 Rental Assistance Program
- Supportive Housing Programs
- Weatherization Program

Other resources that may be available to the Town of Bloomsburg in FFY 2020 to address needs identified in the FFY 2016-2020 Five-Year Consolidated Plan are listed below.

- FFY 2016 CDBG Funds
- FFY 2017 CDBG Funds
- FFY 2018 CDBG Funds
- FFY 2019 CDBG Funds
- CDBG-CV
- Local General Funds
- Pennsylvania Liquid Fuels Program

No funding source has a match requirement.

If appropriate, describe publicly owned land or property located within the jurisdiction that may be used to address the needs identified in the plan

Publicly owned land will be utilized for the Town Pool Removal of Architectural Barriers project.

Discussion

The Town of Bloomsburg anticipates that FFY 2020 CDBG funds will be used in conjunction with other grant sources for the Town Pool Removal of Architectural Barriers projects. The Town could utilize FFY 2020 CDBG funds to reimburse itself for project cost overruns that occur on FFY 2020 projects, if necessary. Other goals identified in the Five-Year Consolidated Plan and not funded with CDBG funds in FFY 2020, will utilize Local General Funds when necessary.

Please note the following chart illustrates the funding reallocation to the FFY 2020 CDBG program as a component of the FFY 2020 Annual Action Plan Substantial Amendment #1. The reasoning behind the funding reallocations is that a \$57 decrease in the total of FFY 2020 project funds was made due to the acknowledged HUD allocation error.

2020 Project Funds:	Current Budget:	Reallocated Budget:	Modified Budget:
Bloomsburg Town Pool Removal of Architectural Barriers	\$100,000.00	\$0.00	\$100,000.00
Curb Cuts	\$119,703.00	(\$46.00)	\$119,657.00
Administration	\$54,925.00	(\$11.00)	\$54,914.00
TOTAL	\$274,628.00	(\$57.00)	\$274,571.00

Table 8 – Project Information

Describe the reasons for allocation priorities and any obstacles to addressing underserved needs

The Town of Bloomsburg has allocated its CDBG funds for FFY 2020 to principally benefit low- and moderate-income persons.

- Based on dialogue that has occurred at the various public hearings, the Bloomsburg Town Council and residents feel that sidewalk accessibility within the Town is poor. A lack of curb ramps represents an architectural barrier for handicapped and otherwise infirm individuals. Wheelchair access is all but impossible. The solution traditionally found by mobility impaired individuals is to simply navigate the Borough's street, rather than the sidewalks. These non-compliant curbs are a violation of the Americans with Disabilities Act and represent a risk of vehicular/pedestrian accidents.

A curb survey with photographic documentation will be completed by the Town's Public Works Department to determine which curbs need the most immediate attention for curb ramp installations. Based on this data, the Town of Bloomsburg will utilize its CDBG funds to address these curb accessibility issues accordingly.

All curb ramp work will occur at Town-owned streets and intersections and in accordance with the Section 504 of the Rehabilitation Act of 1973, the Americans with Disabilities Act, and PennDOT standards. As such, these improvements will be completed to provide necessary accessible grades; concrete will be used for the construction of the curbs, curb cuts, and immediate sidewalks (if required); truncated dome surfacing will be used at the juncture with streets to provide both a visible and tactile notification to user.

This is a presumed benefit, LMI Limited Clientele activity, focused on serving the residents of the Town of Bloomsburg who have accessibility challenges. By its nature, the removal of architectural barriers serves predominantly low- and moderate-income people, meeting the presumed benefit LMI threshold. FFY 2020 CDBG funds will be utilized in conjunction with FFY 2019 CDBG funds.

- The Bloomsburg Town Council closed the Norris E. Rock Memorial Swimming Pool for the 2018, 2019, and 2020 summer seasons due to needed upgrades. A 2015 Wade Associate's feasibility study, commissioned by the Town Council, indicated the facility needed a new liner and deck, plumbing and electrical improvements, and installation of a variety of accessibility features in the

pool and bathhouse. In response to these various upgrade needs, the Bloomsburg Town Pool Renovation Committee has retained the services of a consultant to create a pool design.

For the proposed pool design upgrades, it is proposed that CDBG funds assist with the removal of architectural barriers.

Currently, the pool does not have a means of entry for individuals in wheelchairs. It is anticipated that the pool's new accessibility options will include a ramp and zero entry.

Additionally, entry to the old bathhouse is extremely difficult for handicapped people. Restroom facilities, grab bars in showers, and other common ADA features found in pool bathhouses today are not available. Reconfiguration of the toilets, showers, and locker entries are anticipated for the bathhouse barrier removal.

This is a presumed benefit, LMI Limited Clientele activity, focused on serving the residents of the Town of Bloomsburg who have accessibility challenges. By its nature, the removal of architectural barriers serves predominantly low- and moderate-income people, meeting the presumed benefit LMI threshold.

The Bloomsburg Town Pool Renovation Committee will continue to fundraise and obtain other grants to finance the other necessary improvements needed at the Norris E. Rock Memorial Swimming Pool. FFY 2020 CDBG funds will be utilized in conjunction with FFY 2019 CDBG funds.

AP-50 Geographic Distribution - 91.220(f)

Description of the geographic areas of the entitlement (including areas of low-income and minority concentration) where assistance will be directed

The Town of Bloomsburg will be focusing part of its funds on a Town-wide effort.

The following information provides a profile of the population age, and racial/ethnic composition of the Town of Bloomsburg. The 2008-2012 ACS 5-Year Estimates were used to analyze the social, economic, housing, and general demographic characteristics of the Town of Bloomsburg. The 5-Year Estimates are the most recent data available for the Town. The 2010 U.S. Census data is included where possible.

Population:

- The 2010 Census reports a population of 14,855 people, or an increase of 2,480 people since the 2000 Census.
- In 2010, the Town's male population is 6,714, or 45.2% of the total population and the Town's female population is 8,141, or 54.8% of the total population.

Age:

- Median age in the Town of Bloomsburg is 22.0 years compared to 40.1 years for the Commonwealth of Pennsylvania.
- Youth under the age of 18 account for 1,509 people, or 10.2% of the Town's population.
- Seniors age 62 or over account for 1,600 people, or make up 9.0% of the Town's population. This is below the Commonwealth's percentage of 15.4% of the population.

Race/Ethnicity:

- 90.8% of residents are White
- 6.8% of residents are Black or African American
- 1.9% of residents are Asian
- 0.5% of residents are American Indian or Alaskan Native
- 3.4% of residents are Hispanic or Latino

Income Profile:

The following is a summary of income statistics for the Town of Bloomsburg:

- The Low-Moderate Median Family Household Income for a family of four is \$52,550 in Columbia County according to HUD's FFY 2019 Income Limits.
- Median household income in the Town of Bloomsburg was \$30,310, which was lower than the Commonwealth of Pennsylvania (\$52,548).
- There are 165 households (5.6% of households) living between 0-50% HAMFI, that have one or more children, 6 years old or younger, living in the house.

- 0% of married couples with related children, under 5 years of age, live below the poverty line in Bloomsburg.
- 100% of families with related children, less than 5 years of age, that do not have a husband present, live below the poverty line.
- There are 390 households (8.3% of households) living between 0-50% HAMFI that have at least one person 62 or older living in the house.
- 1,168 households (24.9%) receive Social Security income.
- 189 households (4.0%) receive Supplemental Social Security income.
- 98 households (2.1%) receive cash public assistance.

Low/Mod Income Profile:

The low- and moderate-income profile for Town of Bloomsburg is a measurement of the area's needs. Bloomsburg has an overall low- and moderate-income percentage of 59.14%.

Economic Profile:

- Total population of the Civilian Labor Force is 6,433
 - Attainment of a High School education leads all education levels for the 25-34, 45-65, and 65+ age groups of the Civilian Labor Force. Attainment of a Bachelor's Degree or higher only lead the 35-44 age group. However, it is the overall largest educational attainment level of the employed civilian labor force in Bloomsburg.
- The following sectors provide the three largest shares of jobs in Bloomsburg:
 - 1,417 Manufacturing jobs (35.0% of all jobs) are located in Bloomsburg
 - 994 Education and Health Care Service jobs (24.5% of all jobs) are located in Bloomsburg
 - 601 Arts, Entertainment, Accommodations jobs (14.8% of all jobs) are located in Bloomsburg
- The Unemployment Rate is 7.57%
- \$120,300 is the median home sale price

Geographic Distribution

Target Area	Percentage of Funds
Berwick Borough	54.54%
Town of Bloomsburg	45.46%

Table 10 - Geographic Distribution

Rationale for the priorities for allocating investments geographically

The Town of Bloomsburg has allocated CDBG funds on a Town-wide basis, focusing on removal of architectural barriers, as well as administration. Removal of architectural barriers, supporting the Town Pool's renovation efforts, and targeting infrastructure needs, were all priorities of this year's Town Council.

Discussion

The Town uses HOME funds it receives from the Commonwealth of Pennsylvania to do affordable housing projects/activities. The Town of Bloomsburg rehabilitated one housing unit over the past year and is anticipated to rehabilitate two more in the upcoming year. The Town of Bloomsburg also elevated one home in a flood prone area utilizing CDBG-DR funding for FFY 2019. One home is to be elevated in a flood prone area during FFY 2020 utilizing CDBG-DR funds.

AP-60 Public Housing - 91.220(h)

Introduction

The need for more affordable, accessible housing for the elderly and disabled is evidenced by the proportion of Section 8 Housing Choice Vouchers and Public Housing facilities devoted specifically to these segments of the population. Although additional facilities are under construction by CCHA, it remains to be seen whether there will be the capacity to handle an aging baby boomer population in the future. Also, there has been a high demand for housing accessibility grants.

To a lesser degree, the Town of Bloomsburg has a sizeable population of young families with children living in poverty. Single parent, female-headed households make up a large majority of these families living in poverty.

Female-headed households have a strong presence on the waiting lists of the Section 8 Housing Choice Vouchers and Public Housing programs, although it was unable to be ascertained the degree of female, single parent households utilizing the Section 8 Housing Choice Vouchers and Public Housing programs.

Actions planned during the next year to address the needs to public housing

CCHA has described the ongoing maintenance need of their public housing units as minor and able to be updated with their annual Capital Funds received from HUD. CCHA's Admission and Continued Occupancy Policy requires their agency to regularly monitor each of their units in an effort to maintain safe, satisfactory living conditions for its public housing tenants.

In order to provide superior service, the CCHA resolves to:

- Administer applicable Federal and state laws and regulations to achieve high ratings in compliance measurement indicators, while maintaining efficiency in program operation to ensure fair and consistent treatment of clients served.
- Provide decent, safe, and sanitary housing, in good repair – in compliance with program uniform physical condition standards – for very low- and low-income families.
- Achieve a healthy mix of incomes in its public housing developments by attracting and retaining higher income families, and by working toward deconcentration of poverty goals.
- Encourage self-sufficiency of participant families and assist in the expansion of family opportunities which address educational, socio-economic, recreational and other human service's needs.
- Promote fair housing and the opportunity for very low- and low-income families of all races, ethnicities, national origins, religions, ethnic backgrounds, and with all types of disabilities, to participate in the public housing program and its services.
- Create positive public awareness and expand the level of family and community support in accomplishing the PHA's mission.

- Attain and maintain a high level of standards and professionalism in day-to-day management of all program components. Administer an efficient, high-performing agency through continuous improvement of the CCHA's support systems and commitment to employees and their development.
- CCHA will make every effort to keep residents informed of program rules and regulations, and to advise participants of how the program rules affect them.

CCHA will continue to maintain, review, and update their Admission and Continued Occupancy Policy over the next year and make alterations to these goals where necessary.

Actions to encourage public housing residents to become more involved in management and participate in homeownership

CCHA does not administer a Public Housing Homeownership Program or a Section 8 Housing Choice Voucher Homeownership Program. These are voluntary programs that PHAs can choose to establish by notifying HUD and the public in the Annual Agency Plan and by creating administrative guidelines that meet HUD requirements. HUD approval of these local option programs does not increase funding to the PHA. Participation in both of these programs is limited to working households.

In order to receive assistance under these programs, applicants must be able to demonstrate their credit-worthiness. They must be able to qualify for a mortgage loan from a commercial lender. The public housing and/or Section 8 subsidy is designed to make the home affordable to lower wage households by filling the financial gap between the amount of the first mortgage, and the cost of purchasing the home. In the case of Section 8, the applicant must be a voucher holder. In the case of public housing, first consideration is given to public housing residents. Thereafter, any household that meets public housing income limits may apply for assistance.

In Columbia County, the universe of public housing residents and Section 8 Housing Choice Voucher holders that would be potentially eligible for assistance under these programs is quite limited. Even larger PHAs sometimes find it difficult to secure the participation of sufficient quantity and caliber of prospective buyers to make the programs worth the administrative effort. In the future, CCHA may wish to survey its client base to determine if there are sufficient numbers of interested and qualified buyers to justify the time and expense of establishing and managing these programs.

Although the CCHA does not administer public housing or Section 8 homeownership programs, it does administer a First Time Homebuyers Assistance Program.

If the PHA is designated as troubled, describe the manner in which financial assistance will be provided or other assistance

Not applicable.

Discussion

Families “who receive welfare assistance or other public assistance benefits (‘welfare benefits’) from a state or other public agency (‘welfare agency’) under a program for which Federal, state, or local law requires that a member of the family must participate in an economic self-sufficiency program as a condition for such assistance” for 8 hours a month and/or contribute 8 hours per month of community service. This requirement does not apply to the elderly or disabled.

For the purposes of satisfying the economic self-sufficiency program requirement, HUD defines an “economic self-sufficiency program” as any program designed to encourage, assist, train, or facilitate economic independence of assisted families or to provide work for such families. Eligible self-sufficiency activities include, but are not limited to:

- Job readiness or job training
- Training programs through local one-stop career centers, workforce investment boards, or other training providers
- Employment counseling, work placement, or basic skills training
- Education, including higher education (junior college or college), GED classes, or reading, financial, or computer literacy classes
- Apprenticeships (formal or informal)
- English proficiency or English as a second language classes
- Budgeting and credit counseling
- Any activity required by the Department of Public Assistance under Temporary Assistance for Needy Families (TANF)
- Any other program necessary to ready a participant to work (such as substance abuse or mental health counseling)

Employability, educational attainment, and financial literacy skills are all vitally important to an individual’s or family’s ability to become homeowners. As discussed throughout the Five-Year Consolidated Plan, housing affordability is a challenge in the Town of Bloomsburg. In general, the degree of cost burden that homeowners have will decrease as their income levels increase. Understanding necessary expenses associated with homeownership also affects the ability of a homeowner to pay their mortgage.

AP-65 Homeless and Other Special Needs Activities - 91.220(i)

Introduction

Defining “homelessness” is a major challenge. In Bloomsburg, what is likely the most common form of homelessness is what is known as “couch surfing.” It can be difficult to document exactly “how many couch surfers” there are in each community because HUD does not consider a couch surfer as someone who is technically homeless.

Overall, unsheltered homelessness is not a prevalent problem in the Columbia and Montour County area. Most individuals and families that are homeless are in fact sheltered.

Describe the jurisdictions one-year goals and actions for reducing and ending homelessness including

Homeless Priority - (Low Priority)

There is a need for housing and services for homeless persons and persons at-risk of becoming homeless as well as public education.

- **HO-1 Housing** - Support the efforts of local agencies that provide emergency shelter, transitional housing, and permanent supportive housing.
- **HO-2 Education** - Support the efforts of local agencies educational efforts designed to increase awareness regarding local homelessness and change public perceptions.

Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

Beyond Violence, the Women’s Center, and the Gatehouse all offer counseling programs to clients in an effort to assess their individual needs. The Town of Bloomsburg’s Citizen Participation Plans encourages participation from these organizations, as well as other social service agencies, in an effort to support their missions and client needs during the CDBG application preparation process.

Addressing the emergency shelter and transitional housing needs of homeless persons

As a component of the Town of Bloomsburg’s Citizen Participation Plan, social service providers that serve residents of the community, including the homeless, will be contacted prior to the initiation of the CDBG application process. The Town of Bloomsburg will attempt to address emergency shelter and transitional housing needs when and where they are able.

According to interviews conducted for Columbia County’s previously completed Housing Needs Assessment, representatives of the Women’s Center did not emphasize a need for additional shelter facilities. Most of the clients that they serve are not chronically homeless. Rather, due to their lack of stable income, many are unable to find and maintain their own affordable housing.

As previously discussed, the Town of Bloomsburg will work to implement strategies to remove and ameliorate barriers to affordable housing over the next program year.

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again

CCHA's Homelessness Prevention and Rapid Re-Housing Program's aim is to provide financial assistance and services to minimize and prevent individuals and families from becoming homeless.

Beyond Violence in Berwick and the Women's Center of Columbia/Montour Counties in Bloomsburg both have counseling and programs to assist their clients with finding more permanent housing opportunities. The Women's Center of Columbia/Montour Counties holds weekly focus groups on this topic and other related topics such as healthcare, budgeting, and parenting. The Gatehouse also lists "securing affordable housing" as one of the goals for residents of the shelter.

The Town of Bloomsburg has identified supporting the efforts of local agencies that provide emergency shelter, transitional housing, and permanent supportive housing, as well as supporting educational efforts designed to increase awareness regarding local homelessness as a goal in their Strategic Plan which is consistent with the goals of these agencies.

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); or, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs.

A variety of programs are established in Columbia County to help low-income individuals and families avoid becoming homeless. The Columbia County United Way and Berwick United Way, the Columbia County Family Center, Beyond Violence, and the Women's Center of Columbia/Montour Counties offer some form of budgeting or financial literacy class. The goals of these classes are for clients to learn how to earn money, manage it, and potentially how he/she invests it and/or donates it to organizations or causes to help others. Successful money management is a critical skill for clients to develop in order to find and maintain housing which is affordable to their budget.

Numerous programs are also available for individuals and families recently discharged from a publicly funded institution or system of care. CMSU has established a Mental Health/Substance Abuse Housing Plan as required by the Pennsylvania Department of Public Welfare's Office of Mental Health and Substance Abuse Services (OMHSAS). This plan describes the status of and any modification to the

County's efforts to enable adults and transition-age individuals with serious mental illness to live, work, learn, and participate fully in their communities.

The County also has an established reentry program, known as the Justice House Program, for prisoners who have been released back into the community. For individuals about to be released from a medical institution, hospitals must have written discharge policies that include evaluation of a patient's capacity for self-care and possibility of being cared for in "the environment from which he/she entered the hospital." The actual discharge varies with the individual being discharged, their primary and behavioral health needs, and resources and supports available. While planners try to send individuals home or to family, sometimes they discharge to a nursing home, rehab hospital or as last resort, non-HUD funded shelter.

Homeless Goal #2 of the Town of Bloomsburg's Strategic Plan is to support educational efforts designed to increase awareness regarding how individuals can potentially become homelessness. This goal is consistent with these efforts of the missions of the agencies listed above.

Discussion

The Town is not in receipt of any HOPWA funds.

AP-75 Action Plan Barriers to Affordable Housing - 91.220(j)

Introduction

Currently, the following impediments have been initially identified for the Town of Bloomsburg:

- Impediment 1: Fair Housing Education, Advocacy, Monitoring, and Enforcement
- Impediment 2: Benefit Gaps and Challenges
- Impediment 3: Housing Affordability
- Impediment 4: Housing Accessibility

Actions it planned to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment

Impediment 1: Fair Housing Education, Advocacy, Monitoring, and Enforcement:

SEDA-COG, on behalf of the Town of Bloomsburg, annually publishes the Fair Housing Notice in the local newspaper of general circulation. Additionally, a public hearing is annually held during which the public is asked to report any unfair housing practices. During the FFY 2017 Action Plan Year SEDA-COG also provided educational literature to the Town of Bloomsburg about nuisance ordinances and how they can potentially infringe upon residents Fair Housing rights. This will be examined further as a component of the Analysis of Impediments process, which is discussed below.

For FFY 2016, it was noted that SEDA-COG was to “distribute a brochure to the Town of Bloomsburg that speaks to fair housing law and policies. SEDA-COG’s intention is to distribute this notice to the Town in an effort to increase awareness and further inform the community of their obligations, particularly as they relate to zoning ordinances. One of the important messages is that the impacts of ordinances, rather than the ordinances themselves, be reviewed to determine if they create impediments. The brochure will also examine the costs of housing for both buyers and renters as an impediment to fair housing and discuss various housing financial assistance programs.”

In follow up to this discussed activity, the Office of Fair Housing and Equal Opportunity (FHEO) noted that the “Town itself should review its own zoning ordinance to determine whether it creates an impediment to housing choice. FHEO further recommends the Town work collaboratively with surrounding townships to ensure the ordinances do not contain restrictions likely to have a discriminatory effect.”

Based on this guidance, both the Town and SEDA-COG felt that they did not have the knowledge capacity to adequately review the Town’s zoning ordinance. Town of Bloomsburg, in collaboration with SEDA-COG, organized a training for September 20th and 21st, 2017, at Bloomsburg and Susquehanna Universities, to educate staffs on how zoning can potentially encourage discrimination. Rachel Wentworth, Executive Director of the Housing Equality Center of Pennsylvania, provided discussion on this topic.

Attendance at the trainings were intended to include Town and Town staffs, other municipalities, professionals in the real estate sector, and SEDA-COG. The intended outcome of holding these trainings

for Town of Bloomsburg was to be able to adequately respond to the comments originally provided by FHEO. The Town of Bloomsburg will be able to adequately do this following completion of its Analysis of Impediments.

During FFY 2018, the Town of Bloomsburg also participated in a mailing effort to notify agencies and municipalities in the region about the draft 2019-2024 Coordinated Public Transit-Human Services Transportation Plan which is intended to address the gaps between jobs and transportation.

For FFY 2020, the Town of Bloomsburg plans to participate in a Fair Housing Act seminar coordinated by SEDA-COG and A.J. Johnson Consulting Services, Inc. The seminar is scheduled for July 29, 2020. The Town of Bloomsburg has also retained the services of Hailstone Economic for the completion of its Analysis of Impediments study. SEDA-COG has work with the Town to facilitate this effort. It is anticipated that the Analysis of Impediments study will be finalized by FFY 2020.

Impediment 2: Benefit Gaps and Challenges:

Unfortunately, benefit reform that significantly affects residents in Bloomsburg will need to occur at the federal level. Strategies that could be implemented at the local level, however, include supporting non-profit organizations such as Agape or the United Way, the Central Susquehanna Community Foundation, and the United Way which attempt to “fill in funding gaps that exist in their communities.” The Town of Bloomsburg will contact non-profit organizations during the CDBG application preparation process to invite input and support projects that benefit the community.

During the 2018 calendar year, Tyler Dombroski, the Town’s CDBG coordinator, was appointed to the Board of Directors of Central Susquehanna Opportunities (CSO). This non-profit organization provides additional financial and programmatic assistance to local lower income residents. Mr. Dombroski has been appointed to the program subcommittee of the organization in an effort to increase collaboration between CSO and the Town.

Comment provided by FHEO for the FFY 2016 Annual Action Plan noted a recommendation to both apply for HOME funding to assist with “rental assistance to those renters that have a gap in their income.” The Town of Bloomsburg, during the FFY 2017 program year, already had an open HOME contract focused on providing housing rehabilitation funding to homeowners. This contract had its funds exhausted during FFY 2017. One home was rehabilitated.

Additionally, during FFY 2017 program year, the Town applied to the Commonwealth for additional HOME funding however the borough decided to continue with its current housing rehabilitation funding priority. The Borough has continued with this funding approach.

FHEO also suggested that the Town “implement a First Time Homebuyers program to assist renters with becoming homeowners.” The Town does not have the financial or staff capacity to implement a First Time Homebuyers program. However, CCHA does offer a First Time Homebuyers program for Columbia County residents which the Town of Bloomsburg is a part of. The Town of Bloomsburg will continue to encourage residents to participate in this program to encourage additional home ownership within its municipal limits.

With the number of other funding tools noted, the Town Council does not feel that it is appropriate to allocate CDBG resources to individual financial support activities.

Impediment 3: Housing Affordability:

It is the desire of the Town of Bloomsburg to maintain their supply of available decent, safe, and affordable housing. The current housing stock is maintained through rehabilitation efforts, codes enforcement, and new construction. The Town of Bloomsburg, through Columbia County Housing Authority, also encourages homeownership opportunities for LMI households by promoting its First Time Home Buyers Program. SEDA-COG's brochure previously discussed and examines various housing financial assistance programs.

Public housing and other facilities aimed towards income distressed populations in the Town of Bloomsburg will also continue to be administered and further developed.

As previously noted, the Town of Bloomsburg and SEDA-COG organized a training for September 21, 2017, to learn more about financing options, to assist area families with housing affordability. Attendees included municipal and private sector representatives from around the region. The Pennsylvania Housing Financing Authority conducted the presentation.

Specific financing tools discussed during the training include Low Income Housing Tax Credits, Pennsylvania Housing Financing Authority conventional and PennHOMES loan programs, and the Pennsylvania Housing Affordability and Rehabilitation Enhancement program. These financing tools are all administered by the Pennsylvania Housing Financing Authority.

Additionally, participating private lenders collaborate with the Pennsylvania Housing Financing Authority for the ACCESS Home Modification program, Purchase Improvement program, Homeowners Energy Efficiency Loan Program, Renovate and Repair program, and the PENNVEST Homeowner Septic Program.

The Town of Bloomsburg enthusiastically supports these programs offered by the Pennsylvania Housing Financing Authority. However, the Town of Bloomsburg does not have the knowledge, operation, or finance capacity to offer programs such as the ones mentioned above. The Town of Bloomsburg promoted the use of these programs in order to prevent homelessness, during the 2018 calendar year.

The Town of Bloomsburg disagrees with the comments offered by FHEO for the FFY 2016 Annual Action Plan noting "without CDBG funds being allocated to these activities (rehabilitation efforts, code enforcement, and new construction) this impediment cannot be removed or ameliorated."

As previously noted throughout the FFY 2016-2020 Consolidated Plan and FFY 2016 - FFY 2019 Annual Action Plan, the Town of Bloomsburg has and will continue to utilize HOME, Weatherization, and other grant programs to finance continued housing rehabilitation.

New housing construction, like much of the rest of the country, will continue to be primarily driven by the private sector. The Columbia County Housing Authority had also played a significant role developing new housing complexes for LMI populations, such as the LaSalle Street Neighborhood.

Finally, the Town of Bloomsburg has an active code staff which enforces the Town's various ordinances, including the International Property Maintenance Code. The International Property Maintenance Code is the standard building maintenance code used by municipalities throughout the Commonwealth of Pennsylvania. Bloomsburg's code staff, as well as most code staffs of small to mid-sized municipalities across the Commonwealth of Pennsylvania, finance their community's code enforcement efforts simply through general funds and the occasional revenues generated from enforcement.

Given the Town of Bloomsburg's relatively small allocation of CDBG funds, there simply is not enough CDBG funding to spread to the activities discussed above. These activities are important to the Bloomsburg Town Council and their constituents, however, which is why other financing tools will continue to be utilized to pursue the goals of these activities.

Impediment 4: Housing Accessibility:

The Town of Bloomsburg currently is a recipient of \$530,000 of CDBG-DR funding. Additionally, the Town of Bloomsburg recently applied to the Commonwealth for \$500,000 of HOME funding. Although these funds are not specifically earmarked for housing accessibility work, the Town of Bloomsburg's HOME program will be used to assist with home accessibility improvements as necessary.

Additionally, the Town of Bloomsburg, through Columbia County Housing Authority, will continue to support the building of homes that are designed to accommodate the needs of handicapped and disabled residents through its Accessible Homes Program. The Columbia County Housing Authority will also continue to provide additional low-income residents with permanent disabilities, physical modifications to their home or apartment, through its Access Grant Program.

As previously noted, Town of Bloomsburg and SEDA-COG organized a training that was held on September 21, 2017, to learn more about financing options to assist area families with housing affordability. The Town of Bloomsburg promoted the use of these programs, during the 2018 calendar year.

Discussion

The Town of Bloomsburg previously allocated \$9,124 of FFY 2018 CDBG and \$14,912 of FFY 2019 CDBG administration funding for the purposes of conducting a professional Analysis of Impediments study. The services of Hailstone Economic have been retained for this effort. Their contract is in the amount of \$17,525.

As of the preparation of the FFY 2020 Annual Action Plan, surveys, focus group sessions, and one public hearing have occurred to date. An additional public hearing must still occur. It is anticipated that the Analysis of Impediments study will be completed by the initiation of the FFY 2020 CDBG program year.

AP-85 Other Actions - 91.220(k)

Introduction

The Town of Bloomsburg has developed the following actions which address the obstacles of meeting underserved needs, foster affordable housing, reduce lead based paint hazards, reduce the number of families living in poverty, develop institutional structures, and enhances coordination between public and private housing, and social service agencies.

Actions planned to address obstacles to meeting underserved needs

Despite efforts made by the Town of Bloomsburg and social service providers, a number of significant obstacles remain to meet underserved needs. With funding resources being scarce, funding becomes the greatest obstacle for the Town of Bloomsburg to meet its underserved needs. Insufficient funding lessens the ability to fund many worthwhile public service programs, activities, and agencies. The Town of Bloomsburg, through its planning efforts, will use its limited resources to address its greatest needs and improve the quality of life for its residents. The following obstacles need to be overcome in order to meet underserved needs:

- Lack of decent, safe, sound, and affordable owner and renter housing
- High cost of rehabilitation work
- Aging-in-place population who need accessibility improvements
- The need for major rehabilitation of the Town's aging housing stock
- The increasing number of vacant and abandoned properties
- The unemployment rate and loss of household income
- Low wages in the service and retail sector job market

Actions planned to foster and maintain affordable housing

The Town of Bloomsburg plans to undertake the following comprehensive housing goals:

Housing Priority - (Low Priority)

There is a need to improve the quality of the housing stock and to increase the supply of affordable, decent, safe, sound, and accessible housing for homeowners, renters, and homebuyers.

- **HS-1 Housing Rehabilitation** - Continue to rehabilitate the existing owner- and renter-occupied housing stock, including handicap accessibility modifications.
- **HS-2 Housing Construction/Rehabilitation** - Increase the supply of decent, safe, sound, and accessible housing that is affordable to owners and renters through new construction and rehabilitation of vacant units.
- **HS-3 Fair Housing** - Affirmatively further fair housing by promoting fair housing choices through monitoring, education, and outreach.
- **HS-4 Homeownership** - Assist LMI households in an effort to become homeowners and also provide counseling.

Actions planned to reduce lead-based paint hazards

The revised Federal Lead Based Paint Regulations published on September 15, 1999, (24 CFR Part 35) have had a significant impact on many activities – rehabilitation, tenant-based rental assistance, and property acquisition – supported by the CDBG program. The Town of Bloomsburg will comply with Title 24, Part 35: Lead Based Paint Poisoning Prevention in Certain Residential Structures (Current Rule).

The Town of Bloomsburg will ensure that:

- Applicants for rehabilitation funding receive the required lead-based paint information and understand their responsibilities.
- Staff properly determines whether proposed projects are exempt from some or all lead based paint requirements.
- The level of Federal rehabilitation assistance is properly calculated and the applicable lead-based paint requirements determined.
- Properly qualified personnel perform risk management, paint testing, lead hazard reduction, and clearance services when required.
- Required lead hazard reduction work and protective measures are incorporated into project rehabilitation specifications.
- Risk assessment, paint testing, lead hazard reduction, and clearance work are performed in accordance with the applicable standards established in 24 CFR Part 35.
- Required notices regarding lead-based paint evaluation, presumption, and hazard reduction are provided to occupants and documented.
- Program documents establish the rental property owner's responsibility to perform and document ongoing lead-based paint maintenance activities, when applicable.
- Program staff monitors owner compliance with ongoing lead-based paint maintenance activities, when applicable.

Actions planned to reduce the number of poverty-level families

The Town of Bloomsburg plans to undertake the following comprehensive economic development strategies, which inherently aim at reducing the number of poverty-level families:

Economic Development Priority - (Low Priority)

There is a need to increase employment, self-sufficiency, education, job training, technical assistance, and economic empowerment of the residents of the Town of Bloomsburg.

- **ED-1 Employment** - Undertake efforts to support SEDA-COG's Five-Year Comprehensive Economic Development Strategy (CEDS) where applicable.
- **ED-2 Community Revitalization** - Plan and promote the development and redevelopment of downtown districts, vacant commercial and industrial sites, and facilities.

Actions planned to develop institutional structure

The Town of Bloomsburg and SEDA-COG will coordinate activities among public and private agencies, and other organizations that serve the Town of Bloomsburg. Due to the relatively small population of the Town

of Bloomsburg, many public and private agencies provide services on either a county or multi-county level. As a result of this administrative structure, the efforts to implement the strategies produced from this Five-Year Consolidated Plan will require greater cooperation across Columbia County.

In order to streamline efforts and promote greater local cooperation, the Town of Bloomsburg will work to strengthen their relationships with the Columbia County Human Service Coalition. This will facilitate and coordinate the linkages between these public/private partnerships, develop new partnership opportunities, and ensure that the goals and objectives of the Five-Year Consolidated Plan will be addressed by more than one agency.

Actions planned to enhance coordination between public and private housing and social service agencies

The Town of Bloomsburg, with the assistance of SEDA-COG, will hold primary responsibility for the administration of the Annual Action Plan. This effort will include coordination of activities among public and private organizations in their efforts to implement different elements and to realize the prioritized goals of the Annual Action Plan. The Town of Bloomsburg is committed to continuing its participation and coordination with public, housing, and social service organizations.

Discussion

The Town of Bloomsburg will continue to observe the community and economic development challenges and opportunities that the residents of the community face. Although the Five-Year Consolidated Plan study effort has been completed, the baseline goals established toward improving the housing and community and economic development needs of the Town of Bloomsburg will be modified as necessary.

Otherwise, this current Consolidated Plan will continue to serve as a guide for allocating CDBG funds over the next five years and to provide direction to stakeholder organizations to address the housing and community and economic development needs.

Program Specific Requirements

AP-90 Program Specific Requirements - 91.220(I) (1,2,4)

Introduction

The Town of Bloomsburg receives an annual allocation of CDBG funds. Since the Town receives this Federal allocation, the questions below have been completed, as they are applicable.

Community Development Block Grant Program (CDBG) Reference 24 CFR 91.220(I)(1)

Projects planned with all CDBG funds expected to be available during the year are identified in the Projects Table. The following identifies program income that is available for use that is included in projects to be carried out.

1. The total amount of program income that will have been received before the start of the next program year and that has not yet been reprogrammed	\$0.00
2. The amount of proceeds from section 108 loan guarantees that will be used during the year to address the priority needs and specific objectives identified in the grantee's strategic plan	\$0.00
3. The amount of surplus funds from urban renewal settlements	\$0.00
4. The amount of any grant funds returned to the line of credit for which the planned use has not been included in a prior statement or plan.	\$0.00
5. The amount of income from float-funded activities	\$0.00
Total Program Income	\$0.00

Other CDBG Requirements

1. The amount of urgent need activities	\$0.00
2. The estimated percentage of CDBG funds that will be used for activities that benefit persons of low and moderate income. Overall Benefit - A consecutive period of one, two or three years may be used to determine that a minimum overall benefit of 70% of CDBG funds is used to benefit persons of low and moderate income. Specify the years covered that include this Annual Action Plan.	100%

Discussion

The Town of Bloomsburg will use 100% of FFY 2020 CDBG funds toward the benefit of low- and moderate-income individuals.
