Dear Christine,

The Town of Bloomsburg received its letter dated February 4, 2026, regarding HUD's review of its Program Year 2024 CAPER. At the conclusion of this letter, it was requested that the Town notify your office within 30 days regarding any comments.

Please accept this letter as formal notification that the Town of Bloomsburg has received and reviewed this letter. The TOWN has the following comment concerning the CAPER review.

- To address the non-compliance with the overall benefit requirement for the CDBG-CV funds, a substantial amendment to change the National Objective of the COVID-19 Public Service Announcements from Urgent Need to Low/Mod Area Benefit will be approved by the Town Council on March 9, 2026. The town had a 59.14% LMI population at the time the activity has carried out according to the 2011-2015 ACS data. This public service activity was funded by the town for distribution on the Town of Bloomsburg's website and social media platforms to educate and protect town residents who are predominantly low-to-moderate income.

Jamie Shrawder will also take the initiative, on behalf of the Town of Bloomsburg, to inform the general public, interested citizen organizations, and non-profit entities, of the performance letter sent by HUD on February 4, 2026.

Thank you for the technical assistance that you provide our community as it relates to our CDBG program.

Sincerely,

A handwritten signature in cursive script that reads "Lisa M. Dooley".
