ADDENDUM NO. 2

REQUEST FOR QUOTES (RFQ) FOR ENGINEERING SERVICES
Scott Street Between 14th & 15th Street Sewer Main Replacement

Issue Date: November 2, 2026

NOTICE TO ALL PROPOSERS

The following question was received regarding the above-referenced Request for Quotes. This addendum is hereby made part of the RFP documents and shall be acknowledged by all proposers.

Question No. 1

What is the anticipated bid date for construction and expected start date for construction of the project?

Response

At this time, a specific construction bid advertisement date and construction start date have not been established. The engineering firm selected through this procurement will be responsible for developing the project schedule, including the anticipated bidding period, construction start date, and project completion timeline, in coordination with the Owner and other project stakeholders.

Proposers should be aware that the project is fundedthrough grant funds and will be required to comply with all applicable funding requirements and deadlines. The selected engineering firm will be expected to develop and manage a project schedule that ensures timely completion of all grant-funded activities.

All grant-funded project activities must be completed no later than **January 31, 2028**.

All other provisions, requirements, and specifications of the Request for Proposals shall remain unchanged and in full force and effect.
