The map displays an aerial view of a rural area in Juniata County. A yellow dashed line outlines the project boundary, which encompasses a mix of green fields and brown agricultural plots. Numerous blue circles, representing residential address points, are scattered throughout the area, with a higher concentration in the central and lower-left portions. Two red diamonds, representing identified businesses, are located on the eastern and southern edges of the project boundary. A white arrow points from the 'Mckinley Run Farm' label to a red diamond on the eastern boundary. Another white arrow points from the 'Honey Grove Hardwoods LLC' label to a red diamond on the southern boundary. A scale bar at the bottom right indicates distances up to 1 mile, and a north arrow is positioned above it. A 'Black Log Tower' icon is visible on the left side of the map.
