The SEDA-COG LRTP establishes the vision and objectives that guide public decisions affecting transportation facilities and services in the region. It serves as the blueprint for transportation and economic investments that address network deficiencies, safety issues, mobility constraints, accessibility limitations, and unsustainable development. SEDA-COG MPO staff coordinates development of the LRTP with residents throughout the region, a diverse steering committee, and other local, state, and federal agencies. The draft LRTP can be viewed at SEDA-COG's LRTP webpage: <https://seda-cog.org/departments/transportation/long-range-plan/>. We welcome your comments on the draft LRTP. You can complete a Comment Form at the meeting tonight or submit comments online at <https://bit.ly/4cj4Nqm>.
