This Addendum forms a part of the Request for Quotes (RFQ) and modifies the original RFQ, dated May 1, 2026, as noted below.

Note: All submitters must sign and return the attached Acknowledgement of Receipt of Addendum. Acknowledgement of Receipt is required to ensure consideration of the quotation. Failure to do so may subject the submitter to disqualification.

This Addendum consists of the following items:

**1. Question:** The email states the bid opening takes place June 1, however pg. 9 of the RFQ states "Quotations must be received no later than 1:00 PM prevailing time, May 11, 2026." Can you please confirm the date?

**Answer:** The information on Page 9 is incorrect. Quotations must be received no later than 1:00 PM prevailing time, June 1, 2026.

**2. Question:** I do not see an estimated amount of funding/budget or estimated number of projects over the next 5 years. Can you please elaborate on this?

**Answer:** Mifflin County anticipates an average of 2-4 housing rehabilitation projects per year. Recent project construction costs have ranged from \$20,000 to \$90,000. The total number of housing projects is dependent on several factors, including the type and extent of work required to bring a house up to code and the available funding for any given year.

Please see Page 8 of the RFQ, which requests "lump sum" costs for each phase of effort that will be provided by the Housing Rehabilitation Specialist. These efforts do not correlate to a project's construction cost.
