**EQUAL HOUSING  
OPPORTUNITY**

**REQUEST FOR PROPOSALS  
CLERMONT STREET RECONSTRUCTION**

The Borough of Marion Heights is seeking engineering proposals for reconstruction of Clermont Street to include storm water drainage upgrades, milling, and paving.

Complete proposal details, including the required proposal format, may be obtained by contacting:

Linda Sterling, Program Analyst  
570-238-2878  
[lsterling@seda-cog.org](mailto:lsterling@seda-cog.org)

Proposal details are also available at <https://seda-cog.org/request-for-proposals>.

Proposals will be accepted until 3:00 PM prevailing time, May 14, 2021, at which time they will be publicly opened at the SEDA-COG offices located at 201 Furnace Road, Lewisburg PA 17837. Proposals shall be on the forms required, sealed and clearly marked on the outside, "Engineering Services Proposal Clermont Street Reconstruction" and submitted to:

Linda Sterling, Program Analyst  
SEDA-COG  
201 Furnace Road  
Lewisburg, PA 17837

**Proposals that are faxed or e-mailed to SEDA-COG cannot be accepted.**

**REQUEST FOR PROPOSALS  
CLERMONT STREET RECONSTRUCTION**

Borough of Marion Heights  
47 E. Lincoln Street  
Shamokin PA 17872

**PROJECT DESCRIPTION**

The Borough of Marion Heights is seeking engineering proposals for reconstruction of Clermont Street to include storm water drainage upgrades, milling, and paving.

Proposals shall include the attached "Standard Engineering Estimate" and be submitted to:

Linda Sterling, Program Analyst  
SEDA-COG  
201 Furnace Road  
Lewisburg, PA 17837

All proposals shall be sealed and clearly marked on the outside, "Engineering Services Proposal Clermont Street Reconstruction," and must be received by 3:00 PM, prevailing time, May 14 , 2021, at which time they will be publicly opened at SEDA-COG.

Questions regarding this proposal should be directed to:

Linda Sterling, Project Coordinator  
SEDA-COG  
201 Furnace Road  
Lewisburg, PA 17837  
570-528-2878  
lsterling@seda-cog.org

## **PROJECT DESCRIPTION AND AREA**

The Borough of Marion Heights is seeking quotes for the engineering and design of Clermont Street. The project will consist of replacing the existing culvert box, which is inadequate to handle run-off, with a larger inlet; restoring drainage trenches and installing drainage pipe to manage storm water and avoid future erosion; and roadway milling and paving.

## **PROJECT DESIGN**

The Engineer shall prepare all necessary design plans, drawings, and specifications, which should be complete in detail and contain all necessary information. Drawings shall conform with standard professional practice and consist of all architectural and engineering drawings, including profiles and sections, plot and site plans, and all else necessary to illustrate the interest and scope of the work. Working drawings shall be prepared for structural, hydraulic, mechanical, electrical, and all other branches of the construction work.

The Engineer shall investigate any existing systems affected by the proposed project, identifying options, and advising the Borough of Marion Heights in the most appropriate method of modifying the systems as part of the design of this project. Plans and specifications shall be developed in such a manner to delete and add segments should the project costs be over or under budget and should include:

1. All permits, plans, or surveys, including the Highway Occupancy Permit, which may be necessary to define the scope of the work or for the performance of the project, shall be the responsibility of the Engineer. The proposal shall include a list of those permits currently anticipated as necessary, identifying actual permit fees which shall be paid by the Engineer as a component of their project proposal. Survey work required for easements/rights-of-way is not a part of this proposal. Federal Environmental Reviews, State Historic Preservation Office Review, and Archaeological Reviews are not a part of this proposal.
2. Assistance from the Engineer is necessary for SEDA-COG and the Borough to fully understand the project, and therefore, meeting attendance is of high importance. Accordingly, this proposal shall include at minimum a non-mandatory pre-bid meeting, a preconstruction meeting, and the bid opening, which the Engineer should plan and conduct in accordance with the duties for each activity spelled out in the Engineers' Memo to be supplied by SEDA-COG. Meetings shall be conducted at the convenience of the Borough and SEDA-COG. The Borough of Marion Heights may request, and the Engineer may suggest, additional meetings.
3. A project design schedule must be included for each activity indicating key milestones and dates of completion. All final plans and specifications must be submitted for approval by

the Borough of Marion Heights and/or its agent. In addition, the Engineer must provide a list of sub consultants, if applicable, for approval by the Borough or its agent.

4. Upon completion of the preliminary design, and again when requesting approval of the final design, the Engineer shall prepare and provide to the Borough an opinion of probable construction costs, either as a lump sum or utilizing the itemized bid schedule if a line item construction bid is proposed.

### **PREPARATION OF DOCUMENTS AND COORDINATION OF BIDDING**

The Engineer shall prepare all construction contract documents, including but not limited to bid schedule, bond forms (bid, performance, payment), construction specifications and agreements, compliance forms, etc. The Engineer shall be responsible for coordinating the bidding process, including printing and distributing up to ten (10) sets of bid documents, publishing the required advertisements and management of any required deposits or payments. Costs for this portion of the work shall be borne by the Engineer except that the actual costs for legal advertisements will be reimbursed by the Borough using CDBG funds. Insofar as federal CDBG monies are being used in the project, forms and procedures meeting the requirements of the PA Department of Community and Economic Development shall be used in the contracting documents. SEDA-COG shall facilitate this process by providing model bidding documents for use by the Engineer.

In addition, the Engineer will assist the solicitor throughout the project including, but not limited to, the preparation of documents involving engineering matters and preparation of contract documents for the solicitor's opinion, a review of the bid documents, conformity with the specifications, and requirements, as well as a formal recommendation of bid award. The Engineer is also responsible to manage the construction contract award process, including issuance of the Notice of Intent to Award, execution of the agreements, Award, Notice of Start of Construction, Substantial Completion, Final Inspection, and Completion.

### **CONSTRUCTION SUPERVISION**

The Engineer is expected to furnish customary engineering advice and assistance necessary to enable the Borough to readily understand the project. The Engineer shall visit the construction site to observe progress and quality of work, to determine if work is proceeding in accordance with contract documents, to keep the Borough and its agent informed of progress, to guard against defects and deficiencies, and to disapprove work not in conformance with contract documents. The Engineer shall serve as the Borough's representative at the project site, issuing all instructions to the contractors and preparing any change orders.

The Engineer will check and approve samples, schedules, shop drawings, catalogue data, laboratory, shop and mill tests of materials and equipment, and other data which contractors are required to submit to ensure conformity with project design, concept, and requirements. The

Engineer, in accordance with accepted professional standards and practice, shall review contractors' payment requests and approve, in writing, payment to the contractors in such amounts. The Engineer will also conduct, in the company of the owner and the contractor, a final inspection of the project for conformity with design, concept, and contract documents. When the project is complete, the Engineer will correct all drawings to show construction and installation as actually accomplished and will furnish one set of full size "As Built" prints and one electronic copy to the Borough and SEDA-COG.

These services, to be provided by the Engineer, do not infer resident inspection services. The Engineer is expected to visit the project site during construction at the frequency required to enforce adherence to project design and to conduct a final inspection at project completion, including the issuance of the Notice of Substantial Completion and Final Payment. Comprehensive design, inspection of work and compliance with specifications is of utmost importance to a successful and timely project completion. Accordingly, the Engineer shall indicate with what frequency field visits will be provided. As a part of this proposal, it is the Engineer's responsibility to estimate the project duration in order to calculate the number of construction supervision site visits. Should the project take less or more time than anticipated, no adjustment to the costs for project supervision will be considered.

#### **ADDITIONAL SERVICES OF ENGINEER**

Where participating state and/or federal agencies require reports relating to construction, the Engineer shall prepare and submit such reports and shall assist in any negotiations with these or other agencies as is necessary for final approval.

#### **TERMS OF PAYMENT**

The Engineer will be required to enter into a written Professional Engineering Services Agreement with the Borough which will incorporate much of the information contained in this RFP. Through this RFP process, the Engineer will agree to a lump sum fee as reflected by the Standard Engineering Estimate, which shall include all costs associated with the services outlined herein. Before the start of each project, the Engineer shall prepare and issue to the Borough an estimate of the cost for engineering services for the project. The Borough will then authorize the work. Costs sometimes separately billed as reimbursable costs shall be declared in this proposal. Payment shall be made to the Engineer on a monthly basis. Invoices shall be provided setting forth the project, hours worked, date and establishing the amount due based on the hourly rate(s) as set forth in the Standard Engineering Estimate. Payment shall be expressly contingent upon receipt of funds from the Department of Community and Economic Development.

## **MBE/WBE GOALS**

It is the public policy of the Borough of Marion Heights, to promote the opportunity for full participation by Minority and Women's Business Enterprises ("MBE's" and "WBE's") and Section 3 business concerns in all projects receiving federal funds from the United States Department of Housing and Urban Development which are administered by the Pennsylvania Department of Community and Economic Development.

The Borough through Northumberland County has established a Minimum Participation Level (MPL) of five percent (5%) for Minority Business Enterprises and three percent (3%) for Women Business Enterprises participation on projects with CDBG, ESG, and/or HOME funding.

## **SECTION 3 GOALS**

The Borough of Marion Heights through Northumberland County has adopted a Section 3 Action Plan in accordance with Title 24 Part 135 Code of Federal Regulations. As such, at least three percent (3%) of the total dollar amount of all non-construction Section 3 covered contracts shall, to the greatest extent feasible, be awarded to Section 3 business concerns.

The purpose of Section 3 of the Housing and Urban Development (HUD) Act of 1968, as amended, is to ensure that employment and other economic opportunities generated by certain HUD financial assistance shall, to the greatest extent feasible, and consistent with existing federal, state, and local laws and regulations, be directed to low- and very low-income persons, particularly those who are recipients of government assistance for housing; and to business concerns which provide employment opportunities to low- and very low-income persons, as summarized in the "Section 3 Clause", herein incorporated. The "Section 3 Clause", in its entirety, can be located in the Federal Code of Regulations 24 CFR Part 135.

The parties, if awarded this contract, agree to comply with HUD's regulations in 24 CFR Part 135, which implement Section 3. The parties certify that they are under no contractual or other impediment that would prevent them from complying with the Part 135 regulations.

If awarded the contract, the proposer, agrees to include this Section 3 clause in every subcontract subject to compliance with regulations in 24 CFR Part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this Section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR Part 135. The proposer will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR Part 135.

The proposer will certify that any vacant employment positions, including training positions, that are filled were not filled to circumvent the contractor's obligations under 24 CFR Part 135.

Noncompliance with HUD's regulations in 24 CFR Part 135 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts.

## **PROPOSAL SUBMISSION AND EVALUATION**

Three (3) copies of the proposal must be submitted to:

Linda Sterling, Program Analyst  
SEDA-COG  
201 Furnace Road  
Lewisburg, PA 17837

Proposals must be received no later than 3:00 PM on May 14, 2021. **Proposals that are faxed or e-mailed to SEDA-COG cannot be accepted.**

Proposals will be reviewed and evaluated by the Marion Heights Borough Council. The evaluation will include the following areas in order of relative importance:

- Adequacy of proposal in the terms of addressing the needs that are set forth in the Request for Proposals.
- Relevant experience and past performance.
- Quality of previous work.
- Adequacy of resources/record of completing projects on time.
- Cost.
- Proposer's commitment to the obligations of Northumberland County's Minority Owned Business Enterprises, Women Owned Business Enterprises Action Plan and Section 3 Business Action Plan.

Note: Cost is only one of several criteria to be considered in evaluating Proposals. Accordingly, SEDA-COG will not publish proposal cost summaries. Proposers are, however, invited to attend the opening.

## **REQUIRED INFORMATION**

Each proposer shall provide all information herein requested. Further, no proposal will be considered unless the attached Standard Form is completed in its entirety.

Each proposer shall provide a minimum of two references where similar engineering services have been performed during the past three years. These projects should be similar in design and scope. If the proposer is an MBE/WBE or Section 3 business concern, a certification form shall be submitted with the bid attesting to the firms' status as such. Firms may be requested to sit for interviews and/or negotiation of contract terms and fees prior to contract award.

If any part of the project is subcontracted, requires purchases for services, or requires hiring of additional employees, the proposers must submit documentary evidence of MBE/WBE and Section 3 business concerns who have been contacted and/or to whom commitments have been made. If no solicitation was made to MBE/WBE's or Section 3 business concerns or residents, please indicate the reason(s). If there is no need for additional employees or trainees, or no need to contract for work, then the Section 3 and MBE/WBE requirements are not triggered.

The Borough of Marion Heights reserves the right to accept or reject any and all Proposals or to waive any irregularities.

Professional Liability Insurance is required for this project. Please indicate the level of coverage provided.

**STANDARD ENGINEERING ESTIMATE**

FIRM NAME: \_\_\_\_\_

ADDRESS: \_\_\_\_\_

TELEPHONE: \_\_\_\_\_

REPRESENTATIVE: \_\_\_\_\_

I. Project design, specification, required meeting attendance, bidding, and other engineering services \_\_\_\_\_

II. Project construction supervision  
Indicate project duration and frequency of visits below. \_\_\_\_\_

\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

TOTAL LUMP SUM: \$ \_\_\_\_\_

Additional Meetings:

Lump sum cost for each additional meeting requested by the Borough of Marion Heights \$ \_\_\_\_\_

I, \_\_\_\_\_, a licensed professional Engineer in the Commonwealth of Pennsylvania and an authorized representative of the above-indicated firm, have reviewed and understand the \_\_\_\_\_ Request for Proposals, and I/we am/are prepared to provide the required services for the above costs.

(SEAL) \_\_\_\_\_

ATTACH A MINIMUM OF TWO (2) PROJECT REFERENCES, SIMILAR IN DESIGN AND SCOPE.  
ATTACH LIMITS OF COVERAGE FOR PROFESSIONAL LIABILITY INSURANCE.

**MBE/WBE CONTRACT SOLICITATION AND COMMITMENT STATEMENT  
TO BE SUBMITTED WITH THE BID**

Goals of **5%** for minority business enterprise and **3%** for women business enterprise participation have been established.

Name of Bidder:	Project Name:
Address:	Bid Opening Date:
Email Address:	
Telephone Number:	Contact Person:

List those minority/women owned businesses from which you solicited Proposals and/or received Proposals in regard to this invitation for bid.

<b>Company Name &amp; Telephone Number</b>	<b>MBE*</b> <small>(enter code from below)</small>	<b>WBE</b> <small>(X)</small>	<b>Type of Construction, Equipment, Services, and/or Supplies to be provided to the Project</b>	<b>Total Dollar Amount of Proposal Received</b>  <small>(Please mark NR If no response was received)</small>	<b>Total Dollar Amount Awarded</b>  <small>(If not awarded indicate reason)</small>
Prepared By:			Title:		

\*Ethnic Code: A- Asian-Pacific Americans; B-African Americans; H-Hispanic Americans; N- Native Americans

## **MINORITY AND WOMEN BUSINESS ENTERPRISE BIDDER CERTIFICATION**

The submittals of each bidder are subject to review to determine whether the bidder has discriminated in the selection of manufacturers, subcontractors and suppliers. If a bidder has met the goals for MBE/WBE participation, the bidder will be presumed not to have discriminated in their selections.

*Where the goals are not met*, the below statements, if accurate, shall be certified by the bidder:

1. The limited number or no commitment to MBEs/WBEs was not motivated by consideration of race or gender.
2. MBEs/WBEs were not treated less favorably than other businesses in the contract solicitation and commitment process.
3. Solicitation and commitment decisions were not based upon policies which disparately affect MBEs/WBEs.

By signing below, I certify that the above statements are true and accurate.
