Item 3: PROJECT DESIGN

A project design schedule must be included as part of this proposal indicating key milestones and dates of completion. All final plans and specifications must be submitted for approval by Ulysses Municipal Authority. In addition, the Engineer must provide a list of sub consultants, if applicable, for approval by Ulysses Municipal Authority. It is the intention of the Ulysses Municipal Authority to advertise for construction bids on or before November 15, 2021. It is understood that changes in the project scope or nature may affect this schedule.

Proposals that are faxed or e-mailed to Potter County cannot be accepted.

Please contact Ellen Russell at erussell@pottercountypa.net or 814-274-8290 ext. 209 with any questions.

Item 3: PROJECT DESIGN

A project design schedule must be included as part of this proposal indicating key milestones and dates of completion. All final plans and specifications must be submitted for approval by Ulysses Municipal Authority. In addition, the Engineer must provide a list of sub consultants, if applicable, for approval by Ulysses Municipal Authority. This has been determined to be an infeasible time frame given the need for DEP permitting. The project scope and nature will dictate the schedule. Please include a project timeline from design to construction completion with your proposal.

Proposals that are faxed or e-mailed to Potter County cannot be accepted.
