I. STATEMENT OF POLICY

The SEDA Council of Governments Metropolitan Planning Organization (SEDA-COG MPO) is committed to a policy of non-discrimination in the conduct of its business, including its Title VI responsibilities for the delivery of equitable and accessible transportation services. The SEDA-COG MPO recognizes its responsibilities to the communities it serves, and it is the MPO’s policy to utilize its best efforts to assure that no person shall, on the grounds of race, color, disability, gender, age, low income, national origin, language or limited English proficiency, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under its programs or services.

Toward this end, it is the SEDA-COG MPO’s objective to:

A. Ensure that the level and quality of transportation planning and related activities are conducted without regard to race, color, disability, gender, age, low income, national origin, language or limited English proficiency;

B. Identify and address, as appropriate, disproportionately high and adverse human health and environmental effects, including social and economic effects of the MPO’s programs and activities on minority populations and low-income populations;

C. Promote the full and fair participation of all affected populations in transportation decision-making;

D. Prevent the denial, reduction, or delay in benefits related to programs and activities that benefit minority populations or low-income populations;

E. Ensure meaningful access to programs and activities by persons with limited English proficiency.

The responsibility for carrying out SEDA-COG MPO’s commitment to this program is carried by the SEDA-COG MPO Title VI Compliance Officer. The Title VI Compliance Officer is responsible for the day-to-day operations of the Title VI Program and will receive and investigate Title VI complaints which come through the MPO’s established complaint procedure. All managers, supervisors, and employees of the SEDA-COG MPO will share in the responsibility for making the Title VI Program a success.

Additional information concerning the SEDA-COG MPO’s Title VI obligations and the full Complaint Procedure and Complaint Forms can be found on the SEDA-COG MPO website in the Public Participation Plan section at http://www.seda-cog.org/transportation/Pages/PublicParticipationPlan.aspx or by calling (570) 524-4491.

II. POLICY PURPOSE, GOALS & OBJECTIVES

The SEDA-COG MPO provides a framework for targeted efforts to identify, seek out and engage environmental justice populations (minority and low-income persons) as well as others who are traditionally underserved by the transportation system (those with limited English proficiency, seniors, and persons with disabilities).

The foundation for these efforts is stated in Title VI of the Civil Rights Act of 1964:\(^1\):

“... No person in the United States shall, on the basis of race, color, or national origin be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program receiving Federal financial assistance ...”

Further reinforcement was established by the President’s 1994 Executive Order on Environmental Justice\(^2\), which states:

“... Each Federal agency shall make achieving environmental justice part of its mission by identifying and addressing, as appropriate, disproportionately high and adverse human health or environmental effects of its programs, policies, and activities on minority populations and low-income populations ...”

The purpose of the SEDA-COG MPO’s Title VI Policy is to ensure that plans, programs, and processes developed by the MPO consider the needs of environmental justice populations and those traditionally underserved by the transportation system, adhering to the provisions of the Americans with Disabilities Act of 1990 (ADA), Section 504 of the Rehabilitation Act of 1973, and Title VI of the Civil Rights Act of 1964 (Title VI). The goal is to ensure that federally funded transportation projects in the SEDA-COG MPO region do not disproportionately burden these populations, such that they are denied the benefits of the projects. The objectives of the Policy are to:

1. Accurately identify the environmental justice and traditionally underserved populations residing in the SEDA-COG MPO region;
2. Expand the involvement of environmental justice and traditionally underserved populations in the transportation planning process; and
3. Ensure that the SEDA-COG MPO’s governing body is aware of the needs of these environmental justice and other traditionally underserved populations, and considers these needs in decision-making regarding the MPO’s transportation investment program.

SEDA-COG MPO has coordinated its Title VI Policy with its Public Participation Plan and Language Assistance Plan, making each plan known among its constituent counties and local governments for the purpose of increasing awareness and tools for public participation.

III. PUBLIC OUTREACH PROGRAM

The SEDA-COG MPO ensures all outreach strategies, communications, and public involvement efforts comply with Title VI. To this end, the MPO completed a synchronized update of the MPO’s Public Participation Plan (PPP), Title VI Policy, Limited English Proficiency (LEP) Plan, and Language Assistance Plan (LAP). The updated PPP was adopted by the MPO in December 2014.

The SEDA-COG MPO provides information regarding its obligations, policies, and plans to the public using a variety of communication methods, which frequently overlap and duplicate each other.

- The Title VI Policy document is available on the MPO’s website. They may be downloaded or requested in paper copy from the MPO staff.

- The MPO’s Title VI Complaint Form and Process is available on the MPO’s website and are available upon request at the SEDA-COG office. The Complaint Form and process are provided in English and Spanish.

- Block Ads and Posters notifying the public of protections of their rights under Title VI, including instructions of how to file a Title VI Complaint. Notices are provided in English and Spanish.

- The LEP Plan and Language Assistance Plan documents, which outline services that the MPO provides for LEP persons, are available on the MPO’s website and are available upon request at the SEDA-COG office.

The SEDA-COG MPO’s Public Participation Plan (PPP) is guided by a set of goals, of which the first two are as follows:

1. Extend the reach of the participation program.
2. Encourage diversity of participants.

The SEDA-COG MPO region is home to small but growing minority and ethnic populations, while significant diversity already exists along the lines of age, physical ability (disability), and means (poverty). The MPO recognizes the benefit of stimulating involvement by a range of persons with a variety of perspectives and interests in the transportation system.

To help identify the diversity in the SEDA-COG MPO planning area, the PPP also includes mapping and other locational analyses of environmental justice populations (minority and in-poverty persons) and other populations that are traditionally underserved by the transportation system (disabled, senior, and limited English proficient persons). Accommodations for and targeted outreach to these persons are built into the PPP at multiple points. Table 1 below outlines outreach strategies that are consistent with both the PPP and this Title VI Policy.

A. Voting and Non-Voting Membership of the SEDA-COG MPO Committee

The SEDA-COG MPO has the authority to conduct transportation planning and programming activities for the eight-county region that includes: Clinton, Columbia, Juniata, Mifflin, Montour, Northumberland, Snyder and Union Counties. The SEDA-COG MPO’s governing body—the MPO Committee—consists of 17 voting members: one representative from each of eight (8) Central Pennsylvania member counties (typically the county planning director); three representatives from PennDOT (Engineering District 2-0, Engineering District 3-0, and Central Office); one representative from transit; one representative from multi-modal interests; one representative from the SEDA-COG MPO Board; one representative from SEDA-COG MPO’s Transportation Program; one representative from the largest municipality (by population) in the Bloomsburg-Berwick Urbanized Area (UZA); and one representative from the 2nd largest municipality (by population) in the Bloomsburg-Berwick UZA.

In addition to the 17 voting members, the MPO Committee includes non-voting members. Such non-voting members receive MPO reports and agendas and may participate in MPO discussions. Non-voting members include, among others: Lycoming County officials, Centre County officials, Luzerne County officials, Federal Highway Administration officials, Federal Transit Administration officials, SEDA-COG MPO staff, other state and federal resource agencies, and private citizens with an interest in transportation and economic development throughout the region.
B. Diversity in the Voting Membership of the MPO Committee

The success of the MPO is ensured by active participation and input from its members. To that end, and in accordance with Title VI regulations and guidelines stipulating non-elected Board representatives endeavor to reflect community demographics within the MPO, including groups or communities traditionally not well-served by existing transportation systems, SEDA-COG MPO encourages the participation of underserved and potentially vulnerable residents on its Board.

C. Outreach to Environmental Justice(EJ) and other Traditionally Underserved Populations

The SEDA-COG MPO will make a special effort to notify, engage, and consider the needs of minority and low-income persons, as well as other populations and communities that are “traditionally underserved” by the existing transportation systems. The SEDA-COG MPO’s efforts in this regard will be consistent with the Environmental Justice Executive Order (E.O. 12898) dated February 11, 1994, and other related guidance from the Federal Highway Administration and Federal Transit Administration.

As a first step, the SEDA-COG MPO will continue to identify communities, organizations, agencies, and advocacy groups that represent EJ and other traditionally underserved populations, adding them to the appropriate MPO listing of Interested Parties (see the SEDA-COG MPO Public Participation Plan, Appendix R.1). The listing is dynamic, and new Interested Parties are added continually through request or by recommendation of planning partners and activities conducted by the MPO.

The SEDA-COG MPO’s outreach is further enhanced according to outreach requirements built into the public participation process for Long-Range Transportation Plan Amendments and Transportation Improvement Plan (TIP) Major Amendments. The public participation process includes “triggers” for a targeted outreach activity when the amendment includes a project that “disproportionately burdens a population or concentration of minority, in-poverty, disabled, and limited English proficient persons” (see the SEDA-COG MPO Public Participation Plan, pages 29 and 32).
D. MPO Meeting Notices

The announcement of MPO Meeting dates and times is provided on the SEDA-COG MPO’s web site at http://www.seda-cog.org/transportation/Pages/MPOMeetingSchedule.aspx. The announcements may be translated into languages other than English, using the embedded Google Translate tool. Meetings are also advertised in The Daily Item newspaper and appear on the SEDA-COG web site calendar of events listing.

E. MPO Meeting Accessibility

Meetings of the MPO are open to the public, in compliance with the MPO’s Bylaws and Pennsylvania’s Sunshine Law. Copies of materials considered by the MPO committee are made available to the public at the time of the meeting or subsequent to a committee meeting. Meeting minutes are maintained and made available for review in the SEDA-COG MPO office and on their web site at http://www.seda-cog.org/transportation/Pages/MPOMeetingMinutes.aspx.

The SEDA-COG MPO is committed to compliance with the nondiscrimination requirements of applicable civil rights statutes, executive orders, regulations, and policies. The MPO meeting location is accessible to persons with disabilities. Other meetings scheduled by the SEDA-COG MPO will occur at facilities and locations which will encourage attendance by the general public, and that are accessible and accommodating to persons with disabilities, older persons and the sight and/or hearing-impaired. Where possible, meeting places will be accessible by public transportation. Meeting locations shall be compliant with the Americans with Disabilities Act.

To better accommodate persons with limited English proficiency, meeting materials will be made available in document formats that allow automated translation (e.g., Google Translate). To better accommodate persons with visual disabilities, written materials can be formatted specifically for use by devices to assist the sight-impaired. If accommodations are needed for those with other special needs related to language, sight, or hearing, please call (570) 524-4491 at least five (5) days in advance.

When a targeted outreach activity or meeting is triggered by the presence of an LEP population, written materials will be made available in languages other than English that are relevant to those populations.

F. Additional Outreach Methods

The SEDA-COG MPO will give consideration to alternative methods of involving the public appropriate to the project. Such methods may include, but are not limited to newsletters, distributing information through public libraries and community groups (especially those serving EJ persons, LEP communities, the elderly and persons with disabilities), using open house format meetings, involving focus groups for specially selected topics, preparing press releases, and holding events at special locations like shopping malls.
IV. TITLE VI COMPLAINT PROCEDURES

A. Purpose

The SEDA-COG MPO Title VI Complaint Procedures are written to specify the process employed by the MPO to investigate complaints, while ensuring due process for Complainants and Respondents. The process does not preclude SEDA-COG MPO from attempting to informally resolve complaints.

These procedures apply to all external complaints relating to any program or activity administered by the SEDA-COG MPO and/or its sub-recipients, consultants and contractors, filed under Title VI of the Civil Rights Act of 1964 as amended, (including Disadvantaged Business Enterprise and Equal Employment Opportunity components), as well as other related laws that prohibit discrimination on the basis of race, color, disability, gender, age, low income, national origin, language or limited English proficiency. Additional statutes include, but are not limited to, Section 504 of the Rehabilitation Act of 1973, the Civil Rights Restoration Act of 1987, and the Americans with Disabilities Act of 1990.

These procedures are part of an administrative process that does not provide for remedies that include punitive damages or compensatory remuneration for the Complainant. Intimidation or retaliation of any kind is prohibited by law.

B. How do I file a Title VI Complaint?

An individual, or his or her representative, who believes that he or she has been subject to discrimination or retaliation prohibited by Title VI and other nondiscrimination provisions, has the right to file a complaint. Complaints need to be filed within 180 calendar days of alleged occurrence, when the alleged discrimination became known to the Complainant, or when there has been a continuing course of conduct, the date on which the conduct was discontinued or latest instance of the conduct.

Complaints shall be in writing and signed by the Complainant(s). If complaints are received by telephone or in person, the Title VI Compliance Officer or other authorized representative shall formally interview the person to provide the basis for the written complaint. If necessary, the authorized person will assist the Complainant in writing the complaint. The written complaint must include the following information:

- Name, address and telephone number of Complainant.
- Basis of the complaint (e.g., Race, Color, National Origin, Gender, Age, Disability or Retaliation).
- A detailed description of the circumstances of the incident that lead the Complainant to believe discrimination occurred.
- Names, addresses and phone numbers of people who may have knowledge of the alleged incident or are perceived as parties in the complained-of-incident.
- Date or dates on which the alleged discrimination occurred.
- Other agencies where the complaint was filed.
- As an investigation moves forward, additional information may be required.
The Title VI Complaint Form may be used to submit the complaint information. The complaint may be filed in writing with SEDA-COG MPO at the following address:

Mr. James Saylor, P.E., PTOE  
Title VI Compliance Officer  
SEDA-COG MPO  
201 Furnace Road  
Lewisburg, PA 17837  

(570) 524-4491  
jsaylor@seda-cog.org

The SEDA-COG MPO encourages all Complainants to certify all mail that is sent through the U.S. Postal Service and/or ensure that all written correspondence can be tracked easily.

For complaints originally submitted by facsimile, an original, signed copy of the complaint must be mailed to the Title VI Compliance Officer as soon as possible, but no later than 180 calendar days from the alleged date of discrimination.

C. What happens to the complaint after it is submitted?

All complaints alleging discrimination based on race, color, disability, gender, age, low income, national origin, language or limited English proficiency, in a service or benefit provided by SEDA-COG MPO, will be directly addressed by the SEDA-COG MPO. The SEDA-COG MPO shall also provide appropriate assistance to Complainants, including those persons with disabilities, or who are limited in their ability to communicate in English. Additionally, SEDA-COG MPO shall make every effort to address all complaints in an expeditious and thorough manner.

When SEDA-COG MPO receives a complaint, the SEDA-COG MPO will acknowledge receipt of the complaint within seven (7) calendar days by notifying the Complainant and immediately transmitting the complaint to the proper state or federal agency (e.g., Federal Highway Administration, Federal Transit Administration, and PennDOT) for investigation and disposition pursuant to that agency’s Title VI complaint procedures. This can be done by scanning to e-mail or via postal mail. The Department of Justice has final word on what agency will investigate the claim. Please note that in responding to any requests for additional information, a Complainant's failure to provide the requested information may result in the administrative closure of the complaint.

The SEDA-COG MPO Title VI Compliance Officer will maintain a log of all complaints received by the SEDA-COG MPO. The Title VI complaint log is available at the SEDA-COG MPO main desk, located at 201 Furnace Road, Lewisburg, PA 17837. The log, or supporting versions of the log, will be made available at designated functions pertaining to the public, such as public meetings, public forums, MPO Board meetings and MPO-sponsored events that involve the public.

In addition, the Title VI compliance officer will regularly review comments and complaints received from members of the public to determine if such comments or complaints warrant a Title VI review and response. Any comments or complaints that are determined to be Title VI related will be entered in the complaint log by SEDA-COG staff. Responses to the Title VI comment or complaint will follow established procedures identified in the Title VI policy document.
D. How will the Complainant be notified of the outcome of the complaint?

SEDA-COG MPO will send a final written response letter to the Complainant within 15 calendar days of the outcome. In the letter notifying Complainant that the complaint is not substantiated, the Complainant is also advised of his or her right to:

A. Appeal within seven (7) calendar days of receipt of the final written decision from SEDA-COG MPO; and/or
B. File a complaint externally with the U.S. Department of Transportation and/or the FTA. Every effort will be made to respond to Title VI complaints within 60 calendar days of receipt of such complaints, if not sooner.

Once sufficient information for investigating the complaint is received by SEDA-COG MPO, a written response will be drafted subject to review by SEDA-COG MPO’s counsel. If appropriate, a SEDA-COG MPO attorney may administratively close the complaint. In this case, SEDA-COG MPO will notify the Complainant of the action as soon as possible.

J. Title VI Complaint Log Procedure

1. When a complaint is received, the person who receives it should contact the Compliance Officer to create the Title VI Complaint Record, as follows (see template):

   a. The complaint is assigned a reference number. The reference number may be formed by the four-digit year in which the complaint is received and a three digit serial number. For example, the first complaint received in 2015 would have the Reference Number “2015-001”.

   b. The Compliance Officer fills in the name, contact information, receipt date, and date of alleged discrimination. If any other agencies have been contacted about the discrimination, they are indicated. Notes may be added. The complaint must be received within 180 calendar days of the date of alleged discrimination.

   c. The complaint is filed in the “Complaint Log”, which is intended to be the MPO’s official and ongoing record of all Title VI complaint activity.

      The Complaint Log is to contain the original Complaint, the SEDA-COG Title VI Complaint Record (see template), documentation of investigations completed, and any correspondence sent or received. The Log is intended to be portable, so that it may be taken to meetings or other activities where the SEDA-COG MPO has committed to making the Log available (see the Title VI policy, Section IV.C). For example, the Log may be in paper copy format in a binder, with a backup file (physical or electronic) kept in a secure location. Electronic files should be a part of the MPO’s regular electronic file backup routine.

2. The Compliance Officer is responsible to process and resolve the Title VI complaint according to the MPO’s Title VI Policy. This includes receiving and sending correspondence, directing the investigation of complaints, documenting decisions, completing complaint records, and maintaining the Complaint Log.

V. SAMPLE LETTER REQUESTING APPOINTMENT OF MEMBER TO THE MPO

January 9, 2015

Ms. Amy Dicello, Chief Clerk
Clinton County
232 East Main Street, 3rd Floor
Lock Haven, PA 17745

Re: Re-appointment of Mr. Tim Holladay to the SEDA-COG MPO

Dear Ms. Dicello:

Clinton County is represented on the SEDA-COG Metropolitan Planning Organization (MPO) by Tim Holladay. The SEDA-COG MPO has the authority to conduct transportation planning and programming activities for the eight-county region that includes: Clinton, Columbia, Juniata, Mifflin, Montour, Northumberland, Snyder, and Union Counties.

The SEDA-COG MPO has benefited from the past participation of Mr. Holladay as Clinton County’s voting representative on the MPO. It is requested that the Clinton County Commissioners re-appoint Mr. Holladay or a representative of their choosing to continue as the county’s voting representative on the SEDA-COG MPO. If the Commissioners concur, please forward me confirmation on county letterhead. Mr. Holladay will be able to send a voting proxy to meetings, as required.

The success of the MPO is ensured by active participation and input from its members. To that end, and in accordance with Title VI regulations and guidelines stipulating non-elected Board representatives endeavor to reflect community demographics within the MPO, including those groups or communities traditionally not well-served by existing transportation systems, SEDA-COG encourages the participation of underserved and potentially vulnerable residents on its Board.

A sample resolution is enclosed for use in confirming your county’s re-appointment of a voting member to the SEDA-COG MPO. Please contact me if you would like to receive an electronic version of this resolution.

The re-appointment’s total term will last four years; upon expiration, you will be asked to re-appoint your representative to subsequent 4-year terms. Please contact me if you or the Commissioners have any questions.

Sincerely,

James Saylor, P.E., PTOE
Transportation Planning Program Director
SEDA-COG MPO
