UNDERSTANDING VAT, GST & OTHER IMPORT TAXES

Who pays for what and when?

June 19, 2024 | 8:30 - 12:00
200 Innovation Blvd, Room 243, State College

In addition to duties, many countries also have taxes on imports. It's important for an exporter to know when and how these taxes are applied and who is responsible for paying them.

This program is ideal for shipping/logistics staff, senior management, finance, sales, and international supervisors/managers.

This program will...

- provide an understanding of when and how these taxes are applied on what value and percentages.
- discuss who is responsible for paying the taxes.
- review if they are recoverable.
- provide steps on how to recover taxes paid.
- address tips on how they should be handled in agreements.
- offer opportunities to discuss *your* situations.
- cover much more!
