

EXPORTING REPAIRS, WARRANTIES, SAMPLES & REPLACEMENTS

May 22, 2024 | 8:30 – 12:00
200 Innovation Blvd, Room 243, State College

Not all shipments are alike. This training will review specific documentation, valuation, and classifications needed when exporting items after repair, under warranty, samples, or replacements. If not handled properly, shipments can result in delays, penalties, seizures, and unhappy customers.

Bob Imbriani

Presenter

This program will cover...

- how to prepare a commercial invoice for specific scenarios.
- how to determine valuation.
- how to properly classify products using the Harmonized System.
- Electronic Export Information (EEI) filing requirements.
- and much more!

Presented by:

**No cost to attend.
Registration required.**

Includes continental breakfast, refreshments, course materials, and certificate of completion.
